Is respondent employed as a law enforcement officer or required to carry a firearm? _____ Yes ☒ No

Do you believe the respondent was under the influence of drugs or alcohol at the time of the incident? no

Why? It has been an ongoing social media attack

I need a personal protection order because the respondent did the following things which made me fear violence or Interfere with my freedom. (Start with the most recent incident & attach copies of police reports if available)

Ami Maeller is my niece. She has a PPO against Kevin Lindke. Ami accidentally left my name on some paperwork that she turned in for PPO violations against Kevin. Ever since then, Kevin has started to focus his attacks on me. He has sent me multiple messages through private messenger on Facebook. I had told him to stop more than once. Kevin then started targeting me in his social media attacks. He has my picture with captions about me, saying, I am helping a violent sexual predator with information. Also, he is accusing me of allowing a 4yr old, D. [redacted] to have access to the pedophile. This is all untrue. Kevin has transcripts online from court that Larry Whitcomb has mentioned the name "Tim" whom had helped him. I have never met or talked to Mr. Whitcomb. Kevin has posted this info numerous times all over social media. I have had many people message me asking what is going on. There are over thousands of people that could have read it, including the students I interpret for. This could affect my employment. These false accusations could make parents and future work clients, not allow me to be their interpreter. I work at a school. This could cause major problems for me. I am asking for help to please get these posts removed ASAP and to prevent Kevin Lindke and (friends) to stop lying and no longer post about me on social media.

Verification under MCR 2.114(2)(8): I declare the statements made by me are true to the best of my information, knowledge, and belief. I understand that an individual who knowingly and intentionally makes false statements to the Court in support of his or her petition for a PPO is subject to the contempt powers of the Court. MCLA 600.2950(24), 600.2950(a)(21).
